

Join Gwinnett Medical Center and the Concussion Institute for the third annual

CONCUSSION BASELINE DAY

Saturday, February 25, 2017

This **FREE** testing is a must for:

Athletes • Drivers • Adults in high risk jobs

Concussions can happen anytime, anywhere and to anyone. Having a baseline of how your brain functions on a normal day helps doctors better diagnose a concussion if you're hurt and create a more effective treatment plan for a full recovery. Testing is now available for ages 5 and up.

Testing Locations:

- Discovery High School
- Mountain View High School
- North Gwinnett High School
- Peachtree Ridge High School
- Shiloh High School
- JM Tull Gwinnett Family YMCA
- Robert D. Fowler Family YMCA
- Hamilton Mill Library (ages 5 -11)

Ages 12 and up register at gwinnettmedicalcenter.org/baselineday.

Ages 5 and up call 678-312-7880 to register.

Limited Seating - Register Today!
